
Koopman Rare Art

Koopman Rare Art has enjoyed a busy year, beginning in New York at The Winter Show, followed by TEFAF Maastricht in the spring, Treasure House in the summer, and both Frieze Masters and LAPADA in the autumn.

Throughout the year, Timo's Director's Choices have covered a wide and varied range, from *A George III Silver Gilt Seven Piece Tea and Coffee set with Snake Handles*, our first Director's Choice of the year published to celebrate the Year of the Snake, to a solid gold baby's rattle.

Kimberley has also explored trends in jewellery, from rings to brooches, and it is clear that the brooch is very much back!

Below, we share our top ten Director's Choices from the year. Please note that some of the pieces featured have since sold. You can also view all of our past Director's Choices [here](#).

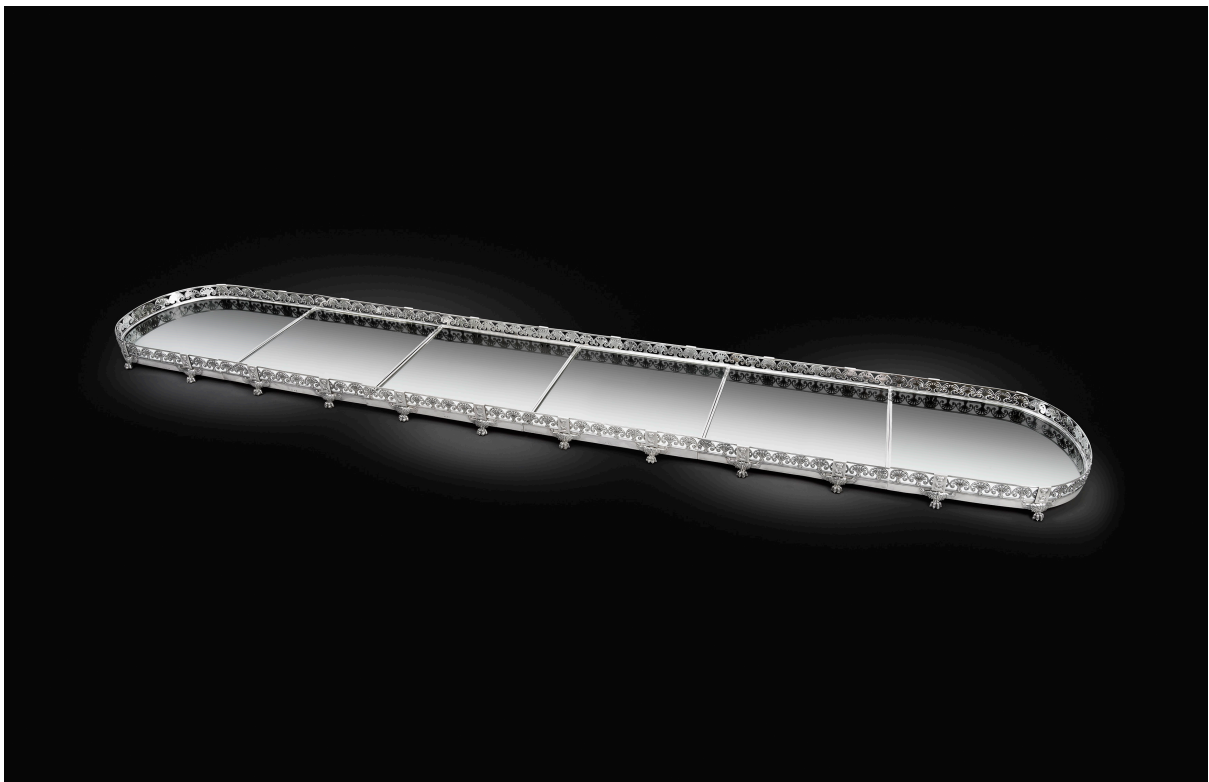

In addition to the Director's Choices, Timo has also published The Koopman Rare Art Directory of Gold and Silver Design, Parts [One](#) and [Two](#), as well as Effluence of Affluence, Parts [One](#) and [Two](#).

Looking ahead to January, Koopman Rare Art is delighted to be returning to The Winter Show in New York, which takes place from 23 January to 1 February at the Park Avenue Armory. If you would like to attend, please let us know and we will be happy to send you a complimentary ticket.

We all wish you a happy and healthy New Year and hope to see you in 2026.
