

Richard Syng

A Pair of Square Base Column Candlesticks

Queen Anne

London, 1706

Maker's mark of Richard Syng

Height: 15.5 cm, 6.25 in.

Weight: 500 g, 16.08 oz

The candlesticks resting on square cut-corner stepped bases with gadroon decoration. The stem bases terminating with a circular gadrooned band, above which is engraved the family crest on a plain cartouche. A pedestal band supports the rest of the fluted stems, these in turn terminate with hexagonal sconces decorated with circular gadrooning.
