A Superb set of Four Sauceboats A Set of Four George III Sauce Boats

Silver

London 1818-19

Maker's mark of Paul Storr for Rundell, Bridge & Rundell

Length: 8.75 in

Height: 4.4375 in

Weight: 115 oz

These elaborately chased sauceboats from the Dean Street workshop in 1818-19 are in total contrast to the studied classicism of most of Rundell's silver during the Regency period. A growing interest in the rococo and its naturalistic decoration would find its full flowering in the 1820s.
