A Highly Important Charles II Chinoiserie Cup & Saucer Silver-gilt

London, 1683

Maker's mark WS, a mullet and two pellets above and below.

Diameter: 14.5cm, 5.75in, the saucer: 10.2cm, 4in

Weight: 465g, 14oz 18dwt

This exceptional cup & saucer of circular form. The saucer on a low pedestal foot and decorated with Chinoiserie flat-chasing depicting a gentleman and attendant holding a sunshade amongst foliage with a bird flying overhead. The scene within a matted band. The circular cup flat-chased with exotic ho-ho birds and berried foliage, it too with a matted band near base.

The cup hall marked with maker's mark only under the base and also with the scratch weight 6=2, the saucer fully hallmarked under the base and with the scratch weight 8=15
